Emerging Technologies: The Future of Ergonomics

Education and Research Center Webinars

November 18, 2020

Jeff Hoyle, MS, CPE
Director of Ergonomics Services
The Ergonomics Center
NC State University, ISE Dept.
JAHoyle@NCSSU.edu
(704) 483-2837

Emerging Technology Resources/Vendor Info

Exoskeleton Resources & Vendors

ASTM Committee F48 Committee on Exoskeletons & Exosuits	Standards Group
Exoskeleton Report	Resource
Bioservo Ironhand	Vendor
Comau	Vendor
Ekso Bionics	Vendor
Laevo	Vendor
Levitate Technologies	Vendor
Ottobock Paexo	Vendor
Lockheed Martin Exoskeleton Technologies	Vendor
Noonee Chairless Chair	Vendor
Sarcos Corp.	Vendor
StrongArm Technologies	Vendor
SuitX	Vendor

Wearable Sensors / Suits

GoX Labs	Vendor
Iterate Labs	Vendor
Kinetic	Vendor
Lumo Bodytech	Vendor
Modjoul	Vendor
Noraxon	Vendor
Notch	Vendor
Somaxis	Vendor
StrongArm Technologies	Vendor
SwiftMotion	Vendor
Xsens	Vendor
Zephyr Performance Systems	Vendor

Computer Vision Tech for Ergo

Altius Analytics Labs	Vendor
Cerebrum Edge	Vendor
Kinetica Labs	Vendor
SwiftMotion	Vendor
TuMeke	Vendor

Virtual Reality / Augmented Reality

Advancing composites thru VR/AR	Resource
Choate Construction uses AR and visualization...	Resource
Collaborative Human Immersive Lab (CHIL)	Resource
John Deere uses VR...	Resource
LM Embraces AR...	Resource
Newport News Shipbuilding explores AR technology	Resource
